

Q. How do I schedule my child care payments?

Click on "My Balance"

Then **check the boxes** next to "Description" and the top line – with your program info in it (just an example below) – to choose all weeks

Program Search | My Account | **My Balance \$0.00** | Payment History | Registrations | Logout

Scheduled Payments

No Scheduled Payments

Schedule a payment for a later date by selecting the fees you want to pay later and click **Schedule a payment**

Past due balances must be paid today; they cannot be scheduled for a future date.

Once all are checked – scroll to the bottom - **click "Schedule a payment"**
