

Youth Basketball Leagues at the Lynn YMCA

As an anchor in the Lynn community for 147 years, the Lynn YMCA offers programming for people at every age and stage of life. Serving more than 20,000 people annually and offering everything from aquatics programs, transitional housing and childcare, to teen job training and providing healthy meals to over 500 children, the Lynn YMCA is so much more than just a gym and a place to swim. In many ways the YMCA is the heart of Lynn.

Among our wide array of offerings are our Youth Basketball Leagues for youth of all abilities from age 5-19 years old. The Lynn YMCA has been offering basketball for over 100 years of our history; everyone from local politicians and state representatives to prominent business owners has played a game in our gym. It's a place where everyone comes together regardless of race or income to engage in competitive, healthy sport. Our gym was recently renovated in partnership with the Boston Celtics, and is a great place to play. Participants in our leagues learn the fundamentals of the game through practices and gameplay, as well as valuable life skills including teamwork, sportsmanship, and self-confidence. Our YBL for younger children and Middle School students is an in-house league, while the High School League travels to play other leagues in the Lynn region. Uniforms are provided, and no child is turned away for lack of ability to pay.
