WELCOME TO CAMP!

Camp Sachem at the Saugus Family YMCA is a seasonal day camp program for girls and boys ages four to fifteen. At Camp Sachem, children will make new friends, discover new passions, explore creativity, and develop skills through a wide range of fun activities in the great outdoors.

Camp Sachem is so much more than a typical day camp. It is a place for values, learning, skill building, self-confidence, and fulfilling dreams. Our program encourages independence and teamwork leading to happy, healthy, confident kids.

A Typical Day

Each day, parents/guardians will say goodbye to their campers at their designated drop-off location where a pre-screening will be conducted. Staff will escort campers from their cars to their home base to greet their counselors and other group members. Camp then begins with small group assemblies – spirited meetings to get campers excited for the day ahead! Campers move on to many activities from swimming, field games, arts & crafts, nature and adventure walks, and more! Each camp day ends with a ceremony for announcements, awards, and other special activities. Each week has a social responsibility theme where campers will explore different games, projects, and activities to gain insight and hands-on experience learning about the themes.

Camp Sachem Highlights

- Conquer personal challenges, experience a variety of guided outdoor activities, and engage in stimulating summer learning loss fun!
