

DROP OFF AND PRE SCREENING INFORMATION

- Each day, all camps are required to perform a morning pre-screening at drop-off.
 - These must be performed prior to campers exiting their vehicles.
 - Pre-screening questions will need to be answered by parent/guardian.
- Once screened, children will be guided into the building, or closest hand washing station, by a staff member where they will be required to wash their hands before entering their cohort home base.
- Parents, guardians, and any other non-camp personnel are not permitted on camp grounds or in our buildings.
- During pick-up and drop-off, parent/guardians are asked to wear masks/face coverings, remain in their cars, and make their best effort to keep pick-up and drop-off adults consistent throughout the week.

GROUP / COHORT INFORMATION

- All cohorts at camp will be at a maximum of 10 campers and 2 staff.
- Counselors will remain with their group for the entirety of each day and week of camp.
- For the safety of our campers and staff, staff and groups cannot be changed or rearranged during the camp day. As a result, camp will no longer have an AM/PM extended day option.
- Camp Sachem, Camp Eastman, Camp Melstone: Hours 8:30am – 4:00pm Monday–Friday.
Gymnastics Camp 8:00am – 3:00 pm

COVID-19 SYMPTOMS AND RESPONSE

- Symptoms include but are not limited to; fever (100.0 degrees or greater), shortness of breath or difficulty breathing, cough, chills, muscle pain, sore throat, new loss of taste or smell, nausea, vomiting and diarrhea.
- If your child becomes symptomatic at camp:
 - An isolation space will be used to separate them from the rest of their cohort. Personal Protective Equipment (PPE) will be provided if necessary. The child will be supervised by camp staff.
 - A parent/guardian will be contacted immediately and will need to arrange pick-up within 30 minutes of receiving the phone call.
 - While the camper is awaiting pick-up, appropriate activities and/or rest space will be provided.
- If your camper is sent home with DPH identified COVID-19 symptoms, they may be required to quarantine for 14 days before returning to camp.
