FOR SOCIAL RESPONSIBILITY

CAMP SACHEM

SAUGUS FAMILY YMCA

FAMILY HANDBOOK

MISSION

The YMCA of Metro North builds strong kids, strong families and strong communities by enriching the lives of all people in spirit, mind and body.

VISION STATEMENT

The YMCA of Metro North, as a charitable community based organization with a commitment to service, will utilize its staff, volunteers and facilities to strengthen individuals, families and our community by providing quality social, recreational and educational experiences while promoting honesty, respect, caring and responsibility to all members of our community.

LICENSING AUTHORITY

All camps must comply with regulations of the Massachusetts Department of Public Health, including Regulation 105 CMR 430.00 *Minimum Standards for Recreational Camps for Children*, and be licensed by the local board of health. Camp Sachem is licensed by the Saugus Board of Health. According to the Massachusetts Department of Public Health regulation, parent/guardians may request information regarding background checks, health care and discipline policies as well as procedures for filing grievances.

LEARN • GROW • THRIVE

Welcome to YMCA of Metro North Summer Camps

We welcome you to Camp Sachem! We are delighted that you have chosen the YMCA of Metro North for your camper. We are committed to providing a safe and nurturing experience for your child. During summers' fleeting weeks, lifetime friendships are born, skills are honed, confidence is realized and tons of fun is part of every day. All of this and more define Camp Sachem.

Our programs are designed to provide each child with a variety of positive, healthy and engaging activities throughout each day. We hope to challenge your child/teen to try new things, to enjoy new physical and creative activities, and to create friendships and memories that will last a lifetime. We expect that your child will return home every day fulfilled, tired and enriched from exploring the outdoors!

This handbook is re-designed to assist you in better understanding the philosophy, policies and procedures as they pertain to the updated COVID-19 state guidelines for our camp program. We encourage you to review this booklet with your child and retain it for future reference. If you still have questions regarding camp, please reach out via email at campsachem@metronorthymca.org and a response will be provided to the best of our ability. Together we can learn, share and improve the camp experience for all involved.

Assistant Camp Director
Alison McCarthy

GENERAL INFORMATION

COMMITMENT TO SAFETY

Our first priority is the safety of all children in our care. The campers' character, health and safety are of paramount concern at Camp Sachem. We ask for your cooperation in the enforcement of the rules we have set forth for the health and safety of each child, and in turn we pledge to you our diligence in maintaining best practices.

STAFF

We consider the selection of our counselors to be our most important responsibility as directors. We select sensitive and enthusiastic individuals who are dedicated to working with children. We want you to realize how great a responsibility is assumed by the Camp Directors when a camper attends Camp Sachem. Our Staff are first in line to take the highest level of care for each camper in the absence of his/her actual family. We as Camp Directors gravely feel this responsibility, and have chosen conscientious Camp Sachem counselors who understand too.

Our staff is composed of a collection of great people who are also: high school, undergraduate, and graduate students; preschool, elementary, middle and high school teachers; college athletes, youth and high school coaches, musicians, mentors, volunteers, artists, and more! The success of our camp is about our ability to create a warm and caring community for both campers and staff.

Our staff undergo mandatory trainings that involve an in depth examination of program policies, emergency procedures, group work, behavior management, bully prevention, team building, service learning, character building, and child development. In addition, all staff are trained in specific COVID-19 safety compliance procedures. Courses and Certifications in Safety, Child Abuse Prevention, CPR & AED and Basic First Aid, and Concussion Awareness are also mandatory.

THE HIRING PROCESS INCLUDES:

- Application with work history
- Screening Interview
- Group Interview
- Best candidates may attend a second interview
- Full background check with CORI, SORI, National Sex Offender Registry
- Four Reference Checks
- Extensive Training

SUPERVISION OF CAMPERS

Campers are directly supervised by camp staff and counselors at all times. Campers ages 4-6 have a minimum 1:5 staff to camper ratio and campers ages 7 and older have a 1:10 staff to camper ratio. Counselors take campers to the restrooms in groups of no less than three. A counselor will never be left alone with one camper. To dress for swimming, counselors will accompany campers to the changing rooms (there are private stalls in each changing room). In the event that campers attending camp require additional supervision, a plan will be discussed and further implemented with both camp staff and parents/guardians to assure the safety of children present with disabilities.

WE ARE FOR YOUTH DEVELOPMENT, HEALTHY LIVING AND SOCIAL RESPONSIBILITY

YMCA Day Camp offers children positive developmental experiences and encourages them to forge bonds with each other and with staff, building confidence through skill-building activities suited to their age. Children experience a sense of achievement through opportunities in the outdoors and are welcomed to a physically and emotionally safe and stimulating environment whether in a Y facility or at an outdoor day camp site or park. Day campers are able to explore creativity, teamwork and leadership in a wide range of physically active programs that influence lifelong healthy living. Day camp builds an interest in community with experiences in local and global cultures where campers gain an appreciation for others different from themselves. Today, Day Camp is more vital than ever, with increased emphasis on child safety, summer learning traditions, personal values & social skills.

THE COMMUNITY

The YMCA is not new to the role of advocate for America's children and families. The family, the school, and the neighborhood have always played a central role in the design and delivery of YMCA programs. Each YMCA assesses the needs of its community and responds with programs to meet those needs, helping to make the community a healthier, safer, and better place to live.

STATEMENT OF NON-DISCRIMINATION

The YMCA does not discriminate in administration of its policies, programs, sports, and other childcare programs. The YMCA's policies are to provide opportunities to all people regardless of religion, race, sex, marital status, disability, cultural heritage, political beliefs, national origin, sexual orientation or inability to pay.

ACCESSIBILITY

The YMCA believes that quality safe programs and childcare must be available to all who need it, not just to those who can afford it. YMCA of Metro North relies on donations to provide access to YMCA camp programs to all.

CHILDREN WITH SPECIAL NEEDS/DISABILITIES

While we make all attempts to accommodate all campers, we realize that our camp may not be the best fit for every camper. If your child has a special need of any kind, we encourage you to share this information with us on the Registration Form and directly communicate it to the Camp Director so that we can work together to provide a positive experience for everyone. If such accommodations will cause undue financial burden on the YMCA, the parent will be notified in writing, which would include reasons for the decision. All campers, regardless of their needs, still must comply and are subject to our behavior management and termination policies.

PARENT INPUT AND COMMUNICATION

Please check our Facebook page ([@CampSachemSaugus](#)) and our website (<https://www.ymcametronorth.org/camp-programs/campsachem/>) for the most up to date information. During the summer, we will post notices and send email updates to communicate important information such as changes due to the weather. Please add our email to your contacts to prevent us from going to your junk/spam folder (campsachem@metronorthymca.org).

Your input is very important to us and is integral in our continued efforts to provide the highest quality camps. We value your comments and suggestions. We want ALL children to have a rewarding experience at Camp.

COUNSELOR COMMUNICATIONS

Camp staff communicate with each other utilizing camp provided phones and walkie-talkies. These camp phones enable convenient and swift contact with every group for daily needs and emergencies. Parents/guardians should not have or request camp staff personal cell phone numbers or connect with their personal social media pages or emails.

MEDIA, BOOKS, ELECTRONICS, TV, MOVIES

Electronics and media will only be provided by the camp for special projects, or on rainy days and must be approved by a camp administrator. Campers will not be allowed to play any electronic games at camp. There will be time allocated for summer reading.

GETTING READY FOR CAMP

Your child should dress comfortably and ready for plenty of activity. Please send your children in clothes that are fit for outdoor activity.

WHAT TO BRING TO CAMP

- Comfortable clothing for running and playing
- Footwear: sneakers, NO open-toe shoes/sandals
- Bag or backpack
- Sunscreen and hat/sunglasses
- Lunch, in insulated lunch box with an ice pack
- Snack, separated from lunch
- Refillable water bottle
- Any medications, epi-pens, inhalers labeled
- Change of clothes for campers under 7 years
- Swimsuit & towel, optional poolside footwear
- Goggles or swim caps (if desired)
- Masks labeled with your campers first and last name

WHAT TO EXPECT ON YOUR FIRST DAY

On the first day of each session, campers arrive and will be greeted by staff who will check them in and walk the camper to their assigned group to meet his/her counselors and campers.

Once all of the campers are in their respective groups, counselors will lead get-to-know-you games and ice breakers as well as go over the group expectations. Campers will then be dismissed to their daily camp schedule which includes activities from swimming, arts & crafts, nature and adventure, and more. When campers report to the pool for the first time, they will be swim tested to determine if they can swim in the deep end, or require flotation devices. Lifeguards go over all the rules before the campers enter the pool. ***Please note: all campers ages 4-6 will only use the shallow end of the pool. They will not be deep end tested for this reason.***

Campers return to the groups' home base for lunch and to connect. Throughout the remainder of the day, the campers will tour the campgrounds and learn about what and where all the activities take place. As the summer progresses we will make a concerted effort to welcome new campers and help them become acclimated.

The Camp Day ends with a closing ceremony within each camper group. Here groups will recap their day, announce the coveted Sachem of the Day award, and get ready for tomorrow's fun! From here, camper pick-up procedures will begin.

PERSONAL ITEMS AND CLOTHING

THE YMCA IS NOT RESPONSIBLE FOR LOST, STOLEN, OR DAMAGED PERSONAL BELONGINGS.

We strongly encourage all families to LABEL ALL OF YOUR CHILD'S BELONGINGS WITH HIS/HER FULL NAME. We will make every effort to remind your camper to remember all of their personal items before every transition. If your child brings home something that does not belong to him/her, please return it to the staff at drop-off the following day. Campers should not bring **any toys or items of any value** with them to the YMCA, as we are not responsible for them. See section on Cell Phones.

FOOTWEAR

Please wear sneakers to camp (especially ones that can get dirty), because lots of games involve running around. Sandals, flip flops, crocs or open-toed shoes are not allowed at camp. Sandals or flip flops are allowed at the pool. There are activities that campers will not be allowed to participate in if they do not have proper footwear.

SUN | HEAT PROTECTION

Parents are required to apply sunscreen (SPF 15 or greater) and lip balm to campers prior to program drop off. Campers must bring a labelled, non-medicated, waterproof sunscreen in the original container with them daily. Staff cannot apply sunscreen to campers, but will assist, remind, and direct campers. Parents are encouraged to send a hat and other protective clothing. The importance of sun protection and staff responsibilities are included in staff training. Camp cannot provide sunscreen. Campers and staff are not permitted to share sunscreen or apply sunscreen to each other. Parents are requested to show their camper how to apply sunscreen on areas exposed to the sun.

FOOD

Campers are not allowed to share food with other campers. Campers are asked not to throw away any food so parents are aware of how much a camper has consumed each day. If they do not like the food packed for them, it is encouraged that they bring the food home and tell family that they do not like the item. Campers will be encouraged to eat what parents have sent in but will not be forced to eat nor will they be deprived of food. We encourage campers to drink water throughout the day. Please pack extra food as a camp day is a very active day!

LUNCH

All campers need to bring a healthy lunch, snack, and drink every day. The lunch should be packed in a labeled, insulated lunch box with an ice pack to keep the food fresh. **LUNCHES CANNOT BE REFRIGERATED OR MICROWAVED.** Lunch time is a social rest time for campers to sit, relax, and enjoy lunch together. Please do not pack glass bottles or containers. Campers cannot purchase lunch at camp or use the vending machine for a lunch substitute. Please pack utensils if the lunch or snack will require it. If a camper does not bring a lunch we will call home and ask that a lunch be brought to camp. If we need to provide a lunch in an emergency, there will be a charge for the cost of the lunch. Not sending your child with a lunch more than 2 times at camp can affect camper enrollment. We are a nut-free camp. All food should be free of nut products and the “may contain nuts” warning.

SNACK

Please pack snacks separately from lunch, if your camper may confuse his/her lunch with a snack.

WATER

Campers should bring a labeled water bottle in a backpack. Hydration is especially important during the summer when campers are active and outside in the sun. They will be encouraged to drink plenty of water and refill water bottles throughout the day. There is water accessible throughout campus for this purpose.

HEPA: HEALTHY EATING AND PHYSICAL ACTIVITY HEALTHY LIVING

The YMCA complies with YMCA national HEPA standards. As part of the YMCA’s commitment to healthy living, we provide healthy vending options and ask that you send your children with nutritious lunches. Soda and fast food are not allowed at camp. Please do not drop off food for your child or group to share due to food allergies and our HEPA standards. (last day celebrations, birthdays, etc.)

ALLERGIES, EPI-PENS, AND INHALERS

Parents/Guardians are responsible for notifying the Camp Director of all pertinent information regarding food allergies prior to child's admission in the program. Responding to allergy attacks and being sensitive to allergies is part of our camp training. The camper Registration Form allows parents to share information about food allergies, reactions, and medications that may treat them. If your child requires an epi-pen, you must provide a non-expired pen before they arrive to camp. Due to the increase in number of children who are nut-sensitive, we do run a **nut-free** program. Staff will take precautions at mealtimes to ensure that children with known food allergies do not have contact with an allergen. If a camper brings a lunch or snack containing a food that another camper has an allergy to, then the child with the allergen food will be separated from the camper with the allergy. Children who require inhalers should bring the inhaler to camp each day.

WHAT NOT TO BRING TO CAMP

Electronics, cell phones, computers, tablets, music or gaming devices; weapons or pocket knives or any other tools; pets; drugs or alcohol. Cash or other forms of money, gum or candy; trading cards or toys, such as Pokémon or other types of cards or action figures; stuffed animals or other plush toys. If an item from the aforementioned list is present, the counselor will ask the camper to put it away. Second offense, it will be taken to the office where a parent will need to retrieve the item at dismissal.

CELL PHONES

Personal cell phone use at camp is prohibited for all staff and campers. If you need to reach your child at camp you can call the camp at any time and ask for a camp administrator. If campers need to have a cell phone for when they get dismissed from camp, they can turn it into the office for the day or keep it turned off in a backpack until they are dismissed. The camp will have supervised safe cell phone zones for if and when it is determined by camp administration that campers need to use a cellphone. By not allowing cell phones at camp we aim to improve safety; increase campers' focus, independence, involvement and engagement; protect from cyber-bullying; and better initiate immediate conflict resolution; campers are more likely to seek an adult right away with an issue if they do not have a cell phone. The Y is not responsible for personal property.

CAMP PROGRAMMING

RAINY DAY SCHEDULE ADJUSTMENTS

Regular camp activities will happen in the indoor gymnasium, studios, and classrooms as much as possible. Campers will utilize their indoor home base areas. We will also utilize outdoor covered areas during these times to provide more space for campers to engage in activities so long as there is an absence of thunder/lightning. If it is a light rain without thunder or lightening, campers may still swim and play outside.

RECREATIONAL SWIM

The YMCA has been America's favorite swim lesson provider for over 100 years for toddlers, preschoolers, youth and adults. At Camp, we take swim time seriously; our camp counselors accompany campers to the pool in addition to the Lifeguards and Aquatic Staff to ensure safety for all. Each day the lifeguards review the rules of the pool before any camper gets wet!

FORTY MINUTES OF SWIM IS INCLUDED IN AT LEAST 3 OUT OF THE 5 CAMP DAYS

Swimming is optional, but encouraged for all campers. Goggles are not required, but campers can bring his/her own. Swimmers will be supervised when changing in the locker rooms and facilities. All swimmers who do not pass our swim test will be required to wear a life vest or other certified flotation device. This is for the child's safety. To pass the Deep End Test, a camper must proficiently swim front crawl from the shallow end to deep end, full length without stopping or touching sides, and demonstrating proper rotary breathing. A color-coded wristband must be worn each week. All pool rules are at the discretion of the lifeguards, regarding deep end swimmers, flotation devices, and other pool safety procedures.

SERVICE LEARNING

As a mission driven organization, we make Healthy Living, Youth Development and Social Responsibility a priority in our programming. There's a common tendency to confuse service-learning with volunteering or community service. It is important to note that service is but one component of service-learning. When meaningful service is combined with established learning objectives and organized ways for participants to think about and analyze what they are learning (reflection), then the service becomes a method of learning, or service-learning. Service learning is a deliberate process through which people of all ages and in all parts of the YMCA can develop skills, knowledge and civic awareness while making meaningful contributions to our community.

BULLYING PREVENTION & TEAM BUILDING

Staff are trained in bully prevention in accordance with the Essex County District Attorney's Office. Camp administration works with all the counselors to build a positive and inclusive environment for all campers. Our anti-bullying programming includes but is not limited to bullying awareness, team building, and self-esteem building. Since it is normal for campers to face challenging issues with one another at school or camp, we also work on developing the youths' conflict resolution skills, social awareness, and communication skills. When conflicts arise we collect as much information as possible and work with both sides for the best resolution and future outcomes.

At times we may request meetings with parents and/or guardians when necessary to work with you and your camper to develop a plan for success if they are experiencing any difficulties in the camp setting.

BEHAVIOR, DISCIPLINARY, ABUSE AND NEGLECT POLICIES

The YMCA of Metro North advocates a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection, prevention, and the development of self-discipline. The YMCA of Metro North's prime concern is the safety and well-being of the children. With this in mind, we have established basic behavioral guidelines for the protection and well-being of all the children in our program. We recognize that children want and need to know the behavioral guidelines, and that these guidelines will be consistently enforced. Our behavioral guidelines therefore are established with the children in a group setting. Guidelines will use positive language such as "we walk in the building" instead of "NO RUNNING." Children will be reminded often of these guidelines.

It is expected of all campers to act in a responsible manner at all times displaying respect, caring, and honesty to other campers and the YMCA staff. All behavior management methods are age appropriate. In case of dispute or conflict the staff will calmly attempt to resolve the situation. Often times, campers will be asked to remove themselves from the activity to calm down and reflect on his or her actions. If a staff member is unable to resolve the matter, administrative staff will be informed and help facilitate a resolution. Camp staff will review the rules and expectations of campers with them. Failure to adhere to these expectations can/will result in termination or suspension from camp.

Discipline and guidance will be consistent and based upon an understanding of the individual needs and development of a child while maximizing the growth and development of the children and protecting the group and individuals within it. (Adapted from 105 CMR 430.191 (A)).

PROHIBITIONS as defined by the Massachusetts Department of Public Health (105 CMR 430.191(B)). The following methods will under no circumstance ever be employed:

1. Corporal punishment, including spanking, is prohibited;
2. No camper shall be subjected to cruel or severe punishment, humiliation, or verbal abuse;
3. No camper shall be denied food, water, or shelter as a form of punishment;
4. No child shall be punished for soiling, wetting or not using the toilet.

The following is what we teach our counselors: Effective supervision, not discipline, is the key to a happy and safe summer for the campers. Early intervention and awareness promotes positive resolutions to conflicts. Doing a good job as a counselor means that you must work as a team to ensure constant supervision of the campers. If the counselor is present and tuned in, then events which can lead to disciplinary action often do not occur.

CHILDREN'S RIGHTS: Staff are responsible for ensuring children:

- Have a safe and reliable environment
- Have use of the equipment in functioning condition
- Have their ideas and feelings respected
- Have discipline that is fair, equal and respectful of them
- Have the opportunity to express their anger, frustration, disappointment, joy, etc., in an appropriate manner
- Have activities that allow participants to express their creative ability, as they explore and discover, while developing to their fullest potential
- Have an environment that offers a variety of choices; physical, gross motor, quiet, indoor, outdoor, active and passive areas, creative dramatic play, and exploring
- Have a right to voice their opinion on the rules and have input on activities offered
- Have staff members that care about them, enjoy being with them and help them grow

CHILDREN'S RESPONSIBILITIES:

- Learning to take consequences for their own actions
- Respecting the rules that are established for and by them during the program day
- Controlling their feelings so that their actions do not harm anyone
- Not willfully damaging any equipment or property in the building or anyone else's property
- Sharing equipment and facilities with all children in their group
- Remaining with a staff member at all times and checking with staff if they need to go to another area
- Being on time with their belongings for pick up at the end of the program day
- Dressing appropriately for indoor and outdoor play
- Returning materials/equipment to the place they found them before starting a new activity
- Participating in and carrying out an activity that they have committed themselves to
- Using appropriate language at all times
- Notifying a staff person if they need help in dealing with a situation
- Walking in the building when moving from indoors to outside and vice-versa
- Respecting other children and staff in the program

SYSTEM OF BEHAVIOR MANAGEMENT

- We encourage children to express feelings of anger or frustration in a verbal manner providing them with the language to use to solve disputes and problems on their own.
- We talk with the child about his/her inappropriate behavior and offer suggestions on how to deal with a problem in a positive manner.
- Children are invited to suggest alternative solutions and assist in implementing them.
- A child who needs to be temporarily removed from the group to regain control, or for safety of the children and staff, will be asked to sit quietly for a few minutes in a quiet area in sight of the staff.
- Staff will speak to children in a calm and positive manner and will encourage safe and appropriate behavior.
- Staff will work with individual children, keep a log as needed, and change schedules and groups as needed to provide for the best opportunity for children to understand the routines and expected behaviors.
- If misbehavior continues despite all attempts mentioned above, the parent will be notified. The parent, staff, and Director will then discuss the situation to try to resolve the problem.

REASONS FOR SUSPENSION CAN INCLUDE BUT ARE NOT LIMITED TO:

- Fighting with other children.
- Excessive inappropriate language.
- Continued disrespect for program rules.
- Any physical attack on a staff member.
- Destruction of personal or YMCA property.

In a situation where a child's behavior is escalating to an unsafe level or is disrupting the group they may be required to be picked up early. Children may return the next day to try again. If the behavior continues a parent conference will be held where the staff, parent, and directors will create a behavior plan for that child. If the behavior continues, or after excessive suspensions, a second parent conference will be requested to discuss if the program can refer that child for additional services or if the program can continue to meet the needs of the child and to create a plan for return. A Plan for Return may, for example, include that the family must seek psychological and/or medical testing for the child prior to being able to return to the program.

REFERRAL PLAN

If the staff is concerned about a child who shows signs of a need for social services, the staff will notify the Camp/Program Director. Together, they will follow these referral procedures:

- Record and document observations of child's behavior
- Review the child's file
- Director and staff will meet with parent or guardian to discuss concerns - meeting will be documented
- Provide a current list of referral resources in the community
- Referrals and results are documented in referral log that becomes part of child's file

NOTE: If a child is threatening suicide or showing suicidal tendencies, staff will respond immediately by contacting the Suicide Hotline.

PREVENTION OF & REPORTING CHILD ABUSE OR NEGLECT

All camp staff are required to attend and pass a training to detect the signs of potential abuse and neglect and a training on "Appropriate Touch". To ensure that abuse does not occur at the YMCA, no staff member is to be alone with a child.

REPORTING PROCEDURE:

1. All staff shall immediately report any suspected child abuse or neglect at camp or outside of camp. The report shall be made either to the Massachusetts Department of Children and Families or to the camp director or other designated Y administrator.
2. The camp director or other designee will immediately report suspected abuse or neglect to the Massachusetts Department of Children and Families.
3. The camp director or other designee shall notify the Department and the Board of Health if a 51A report alleging abuse or neglect of a child while in the care of the recreational camp for children or during a program related activity is filed. The 51A report itself shall not be forwarded to the Department or the Board of Health.
4. The YMCA shall cooperate in all official investigations of abuse and neglect alleged to have occurred at the camp, including identifying parents of campers currently or previously enrolled in the camp who may have been in contact with the subject of the investigation.
5. The YMCA shall ensure that an allegedly abusive or neglectful staff person does not work directly with campers until the Massachusetts Department of Children and Families investigation is completed.

In order to ensure the highest level of safety and the ultimate well-being of all our campers, we need the help of all staff, parents and the community. Please read below the expectations set forth for all our staff and volunteers and please notify us immediately if you see any breaches in the Y code of conduct by our staff or volunteers. Please notify us of any concerns, even if you think they are minor.

At any point throughout the camp day, if there is an unrecognized person on campus, YMCA staff will approach said individual and direct them to the appropriate location for their needs. If the unidentified individual refuses to comply, any surrounding campers will be escorted to a location away from said individual and a camp administrator will be contacted to assist. If need be, local police will be called to assist in the removal of the unidentified individual.

CODE OF CONDUCT AND CHILD ABUSE PREVENTION POLICY FOR EMPLOYEES AND VOLUNTEERS

- In order to protect YMCA staff, volunteers, and program participants – at no time during a YMCA program may a staff/volunteers be alone with a single child where they cannot be observed by other staff or volunteers. As staff/volunteers supervise children, they should space themselves in a way that other staff can see them.
- Staff/volunteers shall never leave a child unsupervised.
- Restroom supervision: Staff/volunteers will make sure suspicious or unknown individuals do not occupy the restroom before allowing children to use the facilities. Staff will stand in the doorway while children are using the restroom. This policy allows privacy for the children and protection for the staff (not being along with a child). If staff are assisting younger children, doors to the facility must remain open. No child regardless of age should ever enter a bathroom alone on a field trip.
- Staff/volunteers should conduct or supervise private activities in pairs- diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff should be positioned so that they are visible to others.
- Staff/volunteers shall not abuse children including but not limited to:
 - physical abuse – strike, spank, shake, slap;
 - verbal abuse – humiliate, degrade, threaten;
 - sexual abuse – inappropriate touch or verbal exchange;
 - mental abuse – shaming, withholding love, cruelty;
 - neglect – withholding food, water basic care, etc. Any type of abuse will not be tolerated and may be cause for immediate dismissal.
- Staff/volunteers must use positive techniques of guidance, including redirection, positive reinforcement and encouragement rather than competition, comparison and criticism Staff will have age appropriate expectations and set up guidelines and environments that minimize the need for discipline. Physical restraint is used only in pre-determined situations (necessary to protect the child or other children from harm), is only administered in a prescribed manner and must be documented in writing.

- Staff/volunteers will conduct a health check of each child, each day, as they enter the program, noting any fever, bumps, bruises, burns, etc. Questions or comments will be addressed to the parent or child in a non-threatening way. Any questionable marks or responses will be documented.
- Staff/volunteers working with children are mandated reporters. Massachusetts law requires mandated reporters to immediately make an oral report to DCF, when in their professional capacity, they have reasonable cause to believe that a child under the age of 18 is suffering from abuse and/or neglect. All concerns will be brought to the supervisor's attention.
- The YMCA of Metro North has provided all staff/volunteers with an anonymous reporting tool, which is easily downloaded on every employee's smartphone. This tool allows any employee to report anything they see anonymously, for senior management to investigate. It is 100% confidential and anonymous and it is checked twice per day.
- Staff/volunteers will respond to children with respect and consideration and will treat all children equally regardless of sex, race, religion, culture.
- Staff/volunteers will respect children's rights to not be touched in ways that make them feel uncomfortable, and their right to say no. Other than diapering, children are not to be touched in areas of their bodies that would be covered by a bathing suit.
- Staff/volunteers will refrain from intimate displays of affection towards others in the presence of children, parents, and staff.
- At no time should Y staff/volunteers ever give a gift to a child or participant in a youth, aquatics, sports, child care, or other YMCA program.
- While the YMCA does not discriminate against an individual's lifestyle, it does require that in the performance of their job they will abide by the standards of conduct set forth by the YMCA.
- Staff/volunteers must appear clean, neat, and appropriately attired. As a youth serving agency, whose staff are viewed as role models for children, tattoos and piercings are discouraged. The YMCA has the right to ask to have any tattoos covered or jewelry removed while the employee is working.
- Using, possessing, or being under the influence of alcohol or illegal drugs during working hours is prohibited.
- All YMCA facilities and properties are smoke free. Use of any tobacco product in YMCA buildings or in YMCA properties is never permissible. Smoking or use of tobacco in the presence of children or parents during working hours is prohibited.
- Pet names, profanity, inappropriate jokes, sharing intimate details of one's personal life, and any kind of harassment in the presence of children is prohibited.
- Staff/volunteers must be free of physical or psychological conditions that might adversely affect children's physical or mental health. If in doubt, an expert should be consulted.
- Staff/volunteers will portray a positive role model for youth by maintain and attitude of respect, loyalty, patience, courtesy, tact, and maturity.
- Staff/volunteers may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleepovers, and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval. This also includes face to face contact as well as electronic contact such as phone calls, text messages, e-mails or any other possible electronic means. Staff must not accept any request by a YMCA program participants under the age of 18, to become a friend as part of their personal web page (Facebook, Instagram, Snapchat, Twitter, etc.).
- Staff/volunteers may not transport children in their own vehicles.
- Staff/volunteers may not date program participants under the age of 18 years of age.
- Under no circumstance should staff/volunteers release children to anyone other than the authorized parent, guardian, or other adult authorized by the parent or guardian (written parent authorization on file with the YMCA).
- Personal visits by friends, relatives and others is permitted in appropriate areas during breaks or lunch periods, but not during regular work time as your full attention needs to be focused on your job responsibilities.
- YMCA facilities are to be used solely for YMCA generated activities and programs; they are not for private gain or usage. You must not accept remuneration directly from members or participants in exchange for services performed in the course of employment, or for services rendered on the grounds or in the buildings/program sites of the YMCA.
- As a general rule staff/volunteers should not accept gratuities or gifts from members or participants, though during the Holiday Season, small gifts from participants are acceptable. If you are given a gift from a member or participant, you must report it immediately to your supervisor, who will determine what you should do with the gift.
- Parental permission must be given to take photos of YMCA program participants and members. The use of personal cell phones to photograph participants or members of any age is strictly prohibited.
- Personal electronic devices such as cell phones, smart watches, MP3 players, and any other similar equipment are not to be

used at any time while on duty, unless the use is specifically for YMCA business. Further, during your working hours, your cell phone, smart watch, or similar devices should be turned off and not be attached to your person via a belt clip or any other method. This could pose a safety hazard especially if you are working with children and can be distracting from the supervision of children/participants.

- If you choose to post a personal Website, to participate in Web-groups or Blogs, please note the following policies:
 - The use of photos, logos or images of the YMCA or its programs is prohibited. If you use the YMCA name, (including names of camps or other programs in any such communication), you should be especially careful to support and not to harm or ridicule the YMCA's image or mission.
 - Staff/volunteers must uphold the YMCA's value of respect for the individual and avoid making defamatory statements about YMCA employees, members/participants, clients, partners, affiliates and others, including competitors.
 - Make it clear to readers that the views expressed are yours alone and they do not necessarily reflect the views of the YMCA.
 - Do not disclose any information that is confidential or proprietary to the YMCA or to any third party that has disclosed information to the YMCA. Consult the confidentiality policy for guidance about what constitutes confidential information.
 - Staff/volunteers should promote the core values of caring, honesty, respect, and responsibility in their speech and behavior at the YMCA, with the community and in any public forum.
- If you observe any inappropriate behavior, or are made aware of violations of the Code of Conduct, you must report it to your supervisor immediately.
- Staff and volunteers are required to read and sign all policies related to identifying, documenting, and reporting child abuse and attend trainings on the subject, as instructed by a supervisor.
- All staff are required to cooperate fully with any investigation and failure to do so may be grounds for termination.

HEALTH INFORMATION

State and Local Health regulations require that each camper submit a complete Health Record to include:

- Certificate of Immunization (or Vaccine Administration Record) signed by a licensed health care provider that includes evidence of required vaccinations as outlined by the Massachusetts School Immunization Requirements. Campers should meet the immunization requirements for the grade they will enter in the school year following their camp session. Children attending camp who are not yet school aged should follow the Daycare/Preschool immunization requirements. Immunizations as follows:
 - Grades K-6: DTaP (5 doses; 4 if 4th dose given on or after 4th birthday), Polio (4 doses), Hepatitis B (3 doses), MMR (2 doses), Varicella (2 doses or hx of chicken pox or immunity)
 - Grades 7- 12: Tdap (1 dose), Polio (4 doses), Hepatitis B (3 doses), MMR (2 doses), Varicella (2 doses)
 - 18 years or older: MMR (2 doses), Varicella (2 doses or hx of chicken pox or immunity), Tdap (1 dose), Hepatitis B (3 doses)

other variations must be in compliance with above mentioned document

Campers cannot attend camp and we cannot send out a confirmation packet without this information. There are religious exemptions, but the YMCA will require documentation to verify such an exemption. A complete copy of the Health Care Policy is available upon request. Parents are required to list any special limitations or concerns including dietary restrictions, allergies, chronic health conditions and/or behavior disorders on the child's Registration Form. This information will only be made available to camp staff at camp administration's discretion and will be used to ensure your child has a safe summer. No child known to be suffering from a communicable form of tuberculosis is allowed to attend our camps or any recreational camp in Massachusetts.

HEALTH CARE STAFF

In accordance with **Massachusetts Department of Public Health Minimum Standards for Recreational Camps for Children 430.159** our camps have health care consultants—a licensed physician, certified nurse practitioner, or physician assistant having documented pediatric training—that oversee our health care policies and staff training in addition to being available for consultation.

A designated Massachusetts licensed physician, certified nurse practitioner, or physician assistant having documented pediatric training, as the camp's health care consultant. The consultant shall: (1) Assist in the development of the camp's health care policy as described in 105 CMR 430.159 (2) Review and approve the policy initially and at least annually thereafter; (3) Approve any changes in the policy; (4) Review and approve the first aid training of staff; (5) Be available for consultation at all times; (6) Develop and sign written orders, including for prescription medication administration, to be followed by the on-site camp health care supervisor in the administration of his or her health related duties; and (7) provide trainings as required by 105 CMR 430.160 to the health care supervisor(s) and other camp staff.

A health supervisor is defined as someone who is at least 18 years of age and who is responsible for the day to day operation of the health program or component. The health supervisors shall be a Massachusetts licensed physician, physician assistant, nurse practitioner, registered nurse, licensed practical nurse, or other person specially trained in first aid.

MILDLY ILL CAMPER/INFECTION CONTROL

Campers and staff are encouraged to properly wash and dry hands multiple times throughout the day. Everyone is required to wash hands thoroughly at a minimum: before and after eating, after toileting (or diapering), as well as any transition to a new location or activity while at camp. Please do not send your child to camp if s/he is not feeling well, is sick, or contagious. Please refer to the COVID-19 addendum for specifics on isolation and pick-up of COVID-symptomatic campers.

Camps at the YMCA have measures in place to prevent the spread of communicable diseases. We follow exclusion policies for serious illnesses, contagious diseases, and reportable diseases in conformance with the regulations and recommendations set by the Division of Communicable Disease Control and Department of Public Health. Procedures do include the notification of all parents in accordance with Department of Public Health recommendation.

ILLNESS OR EMERGENCY

If a child becomes ill, is vomiting, or has a fever during camp, the child will be isolated from other campers. The parents or emergency contacts will be called immediately to come and pick up the ill child and 911 may be called depending on the situation. If a child is sent home for a possible infection the parents may be asked to seek medical advice and the child will not be allowed to return to the center unless accompanied by a doctor's note clearing the child to return to the program. The program reserves the right to contact the physician to ask pertinent questions if there is reason to be concerned with the well-being of the staff and children in the program.

In the event a child is injured or requires further assistance from medical personnel and the parents and/or emergency contacts cannot be reached, the program will transport the child by ambulance to the nearest medical care facility at the discretion of the paramedics. A cell phone will accompany staff on all field trips and the same procedures will be followed as stated above.

FIRST AID

Only staff that is certified in First Aid and/or CPR/AED through the American Red Cross or American Heart Association, will perform First Aid and/or CPR/AED on a child. Documentation of First Aid must be entered in the Medical Log. A portable First Aid kit will be carried with staff anytime children are out of the building or off the property. Staff will not perform First Aid beyond the certified knowledge. Questions regarding treatment will be discussed with the Health Care Supervisor and Health Care Consultant. All camp staff are required to be certified in First Aid and CPR/AED.

TICK CHECKS/INSECT REPELLANT

All staff will conduct periodic tick checks throughout the camp day, but especially so after heavily wooded activities. It is suggested that campers come prepared with applied EPA-approved repellants as indicated on the label. Staff will also instruct campers to reapply as necessary throughout the day. In the event that a tick is identified, staff will assist in removing the tick. If the tick is found attached, the tick will be appropriately removed, a report will be completed, and parents/guardians will be immediately notified.

ALLERGIES / CHRONIC HEALTH CONDITIONS

Each enrollment application allows for parents to list and describe any allergies, chronic health conditions, or other medical, physical, or emotional conditions a camper may have. Some parents may be nervous when including this information for fear that the camper may be labeled or treated differently. Please know that this information will be kept confidential and will only be used to better serve your child. Counselors will be informed of any conditions that would be necessary to keep your child safe. If a camper has an allergic reaction and has an epi-pen we will consider administration of Epinephrine if swelling, breathing, or swallowing is difficult. Staff will follow training as outlined in the Health Care Policy.

MEDICAL EXCLUSION OF CHILDREN FROM THE PROGRAM

A child with any of the following signs and symptoms will be excluded from the camp until such a time as the child no longer has the signs/symptoms, and/or a doctor's note has been presented. ***Please note: if COVID-19 symptoms are present, the symptomatic camper may be required to quarantine in accordance with state guidelines before returning to camp. See COVID-19 addendum.***

- Signs of Dehydration: dark yellow urine; decreased frequency of urination, dry mouth, thirst, decreased activity, or lethargy.
- A diagnosed contagious illness: Please notify the YMCA Summer Camp immediately if your child is exposed to a contagious disease. The Camp Director will notify you if and when it is necessary to keep your child at home. All parents will be given notice if a child in the program has been reported to have a contagious disease. Notices will include information on symptoms and general information on the contagion.
- Abdominal Pain
- Difficulty in breathing
- Fever: 100 degrees or more or accompanied by a stiff neck, lethargy, irritability, or persistent crying. The child may return to the program when the fever has subsided for 24 hours without Tylenol (or similar fever reducing medication).
- Chicken Pox: for five days after the onset of the rash or when all lesions have dried and crusted, whichever is later.
- Diarrhea: (More than the child's normal number of stools, with increased stool water or decreased form) that is not contained by diapers or controlled by toilet use, or stools that contain blood and/or mucus.
- HEAD LICE/NITS– Any sign of head lice or nits (lice eggs) will result in the child being isolated from other children to prevent further infestation and notification to parent for immediate pick up of child. Child cannot return to camp without proof of treatment and be nit free for 24 hours.

- Mouth Sores: in a child who cannot control his or her saliva, unless the child’s physician or local health department states the child is noninfectious.
- Mumps: for 9 days after onset of gland swelling.
- Pertussis: until 5 days of appropriate antibiotic therapy has been completed.
- Pinworm: for 24 hours after treatment has begun.
- Impetigo or Undiagnosed conjunctivitis: (pink or red conjunctiva with white or yellow eye discharge, often with matted eyelids after sleep, and eye pain or redness of the eyelids or skin surrounding the eye), for 24 hours after treatment by a doctor has begun.
- Rash: with fever or behavior change, until a physician has determined that the illness is not a communicable disease.
- Ringworm: until after treatment has begun.
- Rubella: for 7 days after the rash appears
- Scabies: until after treatment has been completed.
- Strep Throat: for 24 hours after treatment has begun and the child has had a normal temperature for 24 hours.
- Tuberculosis: until the child’s physician or local health department authority states the child is noninfectious.
- Vomiting: on two separate occasions within the previous 24 hours, unless the vomiting is determined to be due to a non-communicable condition and the child is not in danger of dehydration.
- Children do not need to be excluded for other minor illnesses unless they are:
 - too sick to participate comfortably in program activities
 - need more care than the staffing level allows.
 - unusually lethargic, irritable, cry persistently, have difficulty breathing, or other signs of possible severe illness.

ADMINISTRATION OF MEDICATION

The YMCA of Metro North cannot administer prescription or non-prescription medication to a child without prior written parental authorization. In all cases parents must fill out an Authorization for Medication. Staff will document any medication that is administered, including the time and date of each administration, the dosage, the name of the staff member and the name of the child. The YMCA CANNOT administer medication contrary to the instructions on the original container without written and signed instructions from the prescribing physician. The Health Care Supervisor shall administer all medications, except inhalers. With written authorization by a parent, the child may be permitted to administer his/her own medication under the supervision of staff member. With written parental consent and authorization of a physician, campers who have asthma may carry his/her own inhalers and use them as needed, without the direct supervision of a staff member. Diabetic children who are capable of self-monitoring/injection must have written approval from parent/guardian and physician (as well as Health Care Consultant for DPH camps). Blood monitoring/ injection activities must take place in the presence of the Health Care Supervisor. Program will dispose of needles/syringes in accordance with 105CMR480.000.

Medication prescribed for campers shall be kept in original containers bearing the pharmacy label, which shows the date of filling, the pharmacy name and address, the filling pharmacist’s initials, the serial number of the prescription, the name of the patient, the name of the prescribing practitioner, the name of the prescribed medication, directions for use and cautionary statements, if any, contained in such prescription or required by law, and if tablets or capsules, the number in the container. All over the counter and non-prescription medications for campers shall be kept in the original containers containing the original label and shall include the directions for use. When no longer needed, medications shall be returned to a parent or guardian whenever possible. If the medication cannot be returned, it shall be destroyed.

CONFIDENTIALITY OF RECORDS

All information contained in children's records is privileged and confidential and cannot be released without written parental consent. Authorized representatives from the appropriate licensing agency (Department of Public Health) have the right and responsibility to review all records related to the appropriate camp/program upon request.

TUITION | ENROLLMENT POLICIES

* Please note - we cannot accept children at Camp unless we have all required documents with valid consents, information, and immunizations.

MEMBERSHIP

In order to receive the Youth Member or Family Member rate, the membership must be active at the time of registration and through the duration of all enrolled camper weeks.

REGISTRATION CHANGES

If you need to change any registration information concerning you or your child's registration form, please provide written notification of such changes. Session cancellations must be made at least 2 weeks in advance.

DEPOSITS

There is a \$30.00 non-refundable and non-transferable deposit per week due at the time of registration. The deposit is applied toward the tuition fee for each session. The remaining balance of each session is to be scheduled to automatically draft one week prior to that session's start.

ACCESS (FINANCIAL ASSISTANCE)

In order to qualify for YMCA Access, an applicant must be a Metro North member and complete the Camp Access form with all the required supporting documents. YMCA Access will be determined on a case by case basis.

LATE PAYMENTS

Each week must be paid in its entirety by the payment due date. A fee of \$15 per week per child will be added for all late payments. Children will not be admitted to camp until payment has been received.

ATTENDANCE POLICY

You **must** notify camp administration if your child will not be attending by calling or emailing the camp registrar in advance, indicating reason for absence. If your child does not attend on a day they are scheduled, you are still required to pay tuition fees for those days. Email absence notices to campsachem@metronorthymca.org.

CANCELLATIONS AND REFUNDS

Cancellations for a particular session must be made in writing 2 weeks before that session begins. A program credit will be issued for cancellations less deposits. Refunds on tuition and exceptions to the 2-week cancellation rule are made only for serious/significant medical reasons and with the Branch Executive Director's approval. A written notice from a physician may be required. There will be no refund for non-attendance.

BOUNCED CHECK OR BANK-DRAFT

The YMCA will administer a \$20.00 fee to your account in the event of a returned check or bank-draft.

COLLECTIONS

The YMCA of Metro North reserves the right to refer any accounts more than 30 days past due to a collection agency for further collective action.

TEMPORARY CLOSINGS

Substitutions or refunds of days cannot be made for temporary closings of camp due to weather conditions, or loss of power, heat, or water.

LATE PICK-UP POLICY

Camp closes at **4:00pm**. In the event camp must close because of an environmental or facility emergency, parents will be notified with as much notice as possible. We will designate an appropriate closing time and communicate to all parents. All camp staff schedules revolve around the above closing times. In the event a child is not picked up by their designated pick-up time, parents will be charged \$15.00 for each fifteen-minute period or part of after said time. If after **60 minutes** from the designated closing time the camper has not been picked up, the **Department of Children and Families may be notified**, and a 51A report will be filed against the parent(s)/guardian(s) for child abandonment. All late fees charged will be added to your family's account and must be paid within **5 days of accrual**. If parents are sending another authorized person to pick up the camper, and the authorized person is late to pick up a camper, late fees will still be charged and will be the responsibility of the parents. After two late pick-ups, the program will give the parent/guardian written notice that they are in danger of losing a spot after the next late pick-up. A copy of the notice will be placed in the child's file. After the third late pick-up the child/family will be terminated from the program immediately. Please make sure that you inform anyone that has been authorized to pick-up your child of the late fee and pick-up policies.

SUSPENSION POLICY AND/OR TERMINATION POLICY

The YMCA of Metro North reserves the right to terminate camp services with a one-week advance notice to families. When the health, welfare, and safety of other children and staff are at stake, the **YMCA reserves the right to terminate childcare services immediately without advance notice**. In all cases the YMCA will attempt to work with the camper and family before a suspension or termination is issued and is used as a last resort. In most cases a parent child conference will take place prior to the suspension or termination. In the event camp services are to be suspended or terminated a written statement will be issued to the parent, explaining the reasons for termination or suspension. If a child is suspended or terminated from the program, all attempts will be made to prepare that child in a manner, which is consistent with the child's ability to understand. Other possible reasons for termination of a family from a YMCA program include but are not limited to: inappropriate behavior on the part of a parent or family member, considered being harmful or threatening to your child, staff, members, campers, chronic absenteeism of the child with no valid excuse, after three late pick-ups and other reasons as determined and discussed with the Administrative staff of the camp. Refunds or credits **WILL NOT** be issued in the event of a suspension or termination.

TRANSPORTATION POLICIES, TRAFFIC CONTROL AND ARRIVAL/DEPARTURE

TRAFFIC | PARKING LOT

5 MPH speed limit. Cars need to follow the arrows and park in designated spots. There will be staff in the parking lot directing traffic. For everyone's safety, please cooperate with the staff's directions. Be mindful of other cars when idling your car.

VEHICLES ON THE CAMP PROPERTY OTHER THAN THE PARKING LOT

Vehicles brought on to the camp grounds for maintenance reasons will only be done with the consent of the Camp Director or Branch Director and will be driven no more than 5 mph. All staff must keep campers away from the vehicle.

RELEASE OF CAMPERS | PICK-UP PROCEDURES

The YMCA staff can only release a child to a person who is authorized by the parent in writing and who has presented proper identification. Campers are released after staff check a valid ID that matches the name listed on the camper's approved pick-up list. This ID policy also applies to the parents of campers.

PICK-UP AUTHORIZATION

All individuals that you authorize to dismiss your child from the camp should be identified on the application prior to the child's enrollment in the program. If a child is to be picked up by someone other than an authorized person, the camp must be notified in writing. A verbal consent WILL NOT BE TAKEN OVER THE PHONE. For your child's safety, we will not allow your child to leave the site with an unauthorized person.

PHOTO IDENTIFICATION IS REQUIRED for any persons picking up a child at all times, even parents! Please let us know if there are any custody issues. When picking up at camp all persons, **INCLUDING PARENTS**, must show a valid photo ID. In cases involving custody disputes, staff cannot deny a listed parent access to a camper without a court order stating so. Even with a court order, staff approached by a non-custodial parent will contact the custodial parent immediately and notify the police should an attempted contact occur. Staff cannot place themselves in jeopardy by mediating disputes or attempting to enforce a court order.

CAMP ARRIVAL (DROP-OFF PROCURES)

Parents/guardians dropping children off need to follow the arrows as the parking lot traffic flow is one-way and park in a designated space. Please note and adhere to the following drop-off procedures:

- Drop-off will occur between 8:25am and 8:50am. Camper drop-off after 9:30am will not be permitted.
- Upon arriving, parents/guardians must follow traffic arrows and staff direction to allow for flow of traffic and safety of all in the parking lot.
- Designated camp staff will be in the lot directing traffic, conducting camper pre-screening, and escorting each camper to their group after washing their hands.
- During this process, parents and campers shall remain in their cars. Parent/guardians are asked to wear a mask throughout this process.

DO NOT drop your child off at the front door of the YMCA or in the parking lot without staff check-in, as the YMCA CANNOT ensure safety and/or be responsible for campers until they are checked in at the program. If the program observes a child continually being dropped off early or left on their own, we are required by law to contact the Department of Children & Families to file a 51A for child neglect.

EARLY CAMP DISMISSALS

The camp office must be notified in advance of anyone coming to pick-up a child before regular dismissal via email or phone. Early dismissals can ONLY occur prior to 3:30pm in order for the camp to prepare for regular pick-up. Please call the camp phone and expect a 10-15 minute wait period from the time of the phone call in order to bring the camper(s) from their scheduled location to the parking lot. When arriving for pick-up, please pull into a designated camp spot and await camper arrival. Please have ID ready upon arrival.

CAMP DEPARTURE (PICK-UP PROCEDURES)

Parents/guardians picking up children need to follow the arrows as the parking lot traffic flow is one-way. Please note and adhere to the following pick-up procedures:

Pick-up will be staggered according to camper last name.

- Campers with last name beginning with A-F = 3:55pm
- Campers with last name beginning with G-M = 4:05pm
- Campers with last name beginning with N-Z = 4:15pm

Please be patient so we can make sure we safely dismiss every camper. A Camp Sachem administrator will supervise the pick-up process and direct traffic to marked parking spaces during this period. Designated camp staff will approach each car to check authorized pick-up ID and direct to pick-up locations. Campers will be brought out and ID will be checked a second time by staff to ensure safety before dismissing each camper.

THE YMCA PROPERTY | CAMPGROUNDS

Camp Sachem is on 13 wooded acres with many areas for outdoor play and adventure. Camp Sachem utilizes the woods and hiking paths adjacent to the property, as well as the YMCA Facilities: Outdoor Pool Center, Studio, Fitness Rooms, Classrooms, Gymnasium, Playgrounds, and more.

FREQUENTLY ASKED QUESTIONS

- IS THERE CAMP WHEN IT IS RAINING?
 - Yes, camp is in session on rainy days. We try our best to keep the campers dry for most of the day. As long as it is determined to be safe, campers may be allowed to play and swim in light rain. In the event of thunder or lightening, the camp will immediately shift to a schedule that ensures shelter for all campers.

- WHY DO I HAVE TO SIGN A WAIVER OF INJURY?
 - It is required by our insurance company to participate in YMCA activities and is common practice for organizations that specialize in active programs with inherent risks.

- I DO NOT WANT TO SEND MY CHILD FOR ALL 5 DAYS. CAN I SEND THEM FOR FEWER DAYS?
 - You can send your child for fewer days but you still need to pay for the entire week as we only offer a 5-day schedule. We do not prorate camp fees. There are no exceptions to this.

- DO I NEED TO SUBMIT AN IMMUNIZATION RECORD IF ENROLLED IN A YMCA AFTER SCHOOL PROGRAM?
 - Yes!!! We do not have your child's immunization records on file at the YMCA. After School only requires that it is on file with your school.

- CAN I BRING MY CHILD'S HEALTH FORM ON THE FIRST DAY OF CAMP?
 - No! All required camper documentation MUST be submitted at least 2 weeks prior to the start of camp. NO child is allowed at camp without these forms on record!

- CAN I GET A SCHEDULE OF WHERE MY CHILD IS DURING THE DAY?
 - For the safety of all children, we do not give out schedules of where our campers are located. If you come to camp to pick up your child, he/she will be brought to you. We do not allow parents to walk around camp by themselves.

Appendix A: Sachem COVID-19 Specific Policies & Procedures

General Information:

- All campers and camp staff must be permanent residents of Massachusetts.
- All staff are required to have a mask/cloth face covering with them at all times.
- All campers are required to bring with them a mask/cloth face covering to be worn throughout each day when not swimming or eating.
 - Must be labeled with camper first name on the front of the mask and last name on the back of the mask.
- There will be ample handwashing opportunities as well frequent cleaning, sanitizing, and disinfecting of facilities and equipment.
 - Portable sinks are located around camp to provide additional handwashing stations.
 - Hand sanitizer will be available for when handwashing is not possible (with parent permission).
- If your camper has a pre-existing condition that would qualify them as being high risk, it is recommended by DPH that their healthcare provider be consulted before their attendance at camp.
 - Nebulizers are specifically identified as a form of medication that will not be permitted for use at camp this summer.
- No off-site field trips will be taking place.
- All required paperwork must be submitted and on file before the camper's first day in attendance. **No paperwork can be accepted at drop-off.**
- A parent/guardian or emergency contact must be able to get to the camp site within 30 minutes in the event that camper pickup is required.

Drop Off & Pre-Screening Information:

- Each day, a morning pre-screening will be performed at drop-off **prior to campers exiting their vehicles.**
 - Pre-screening questions will need to be answered by parent/guardian.
 - Responses will be recorded for each camper, each day.
- Once screened, campers will be guided to their designated home base area by a staff member and prompted to wash/sanitize their hands.
- Parents, guardians, and any other non-camp personnel are not permitted on camp grounds.
- During pick-up and drop-off, parents/guardians are asked to wear masks/face coverings, remain in their cars, and make their best effort to keep pick-up and drop-off adults consistent throughout the week.

Appendix A: Sachem COVID-19 Specific Policies & Procedures (cont.)

Group/Cohort Information:

- Campers will be placed into specific cohorts each week of attendance.
- Counselors will remain with their cohort for the entirety of each day and week of camp.
- For the safety of our campers and staff, groups cannot be changed or rearranged during the camp day. As a result, camp will not be offering an AM/PM extended day option this summer.
- Camp Sachem will operate from 8:30am – 4:00pm, Monday – Friday.

COVID-19 Symptoms & Responses:

- Symptoms include but are not limited to; fever (100.0 degrees or greater), shortness of breath or difficulty breathing, cough, chills, muscle pain, sore throat, new loss of taste or smell, nausea, vomiting, and diarrhea.
- If your child becomes symptomatic at camp:
 - An isolation space will be used to separate them from the rest of their cohort. Personal Protective Equipment (PPE) will be provided if necessary. The child will be supervised by camp staff.
 - A parent/guardian will be contacted immediately and will need to arrange pick-up within 30 minutes of receiving the phone call.
 - While the camper is awaiting pick-up, appropriate activities and/or rest space will be provided.
 - If your camper is sent home with DPH identified COVID-19 symptoms, they may be required to quarantine per state guidelines before returning to camp.

We are looking forward to a great summer! If you have any questions please reach out to

campsachem@metronorthymca.org.
