Y ACADEMY LYNN | DEMAKES FAMILY YMCA

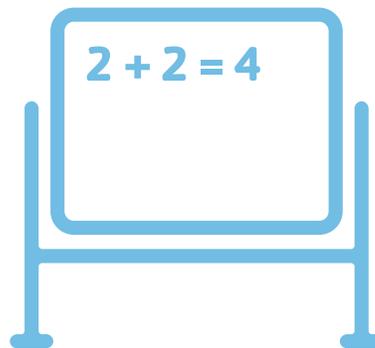

The Y Academy in Lynn offers educational and enrichment opportunities for toddlers to teens in their Early Learning, Out-of-School Time, and Youth Center programs. The Early Learning Program, located in the Demakes Family YMCA at 40 Neptune Blvd., delivers high-quality early education and care for children 2.9 years old to age 5. All activities focus on the development of the whole child with a concentration on gross and fine motor skills. Our programs offer a STEAM-based (Science, Technology, Engineering, Arts, and Mathematics) curriculum and hands-on learning experiences. We support the cognitive, social, emotional, and physical of each child that recognizes their unique experiences and talents to help them confidently learn, grow, and thrive.

EARLY LEARNING PROGRAM (2.9 years – age 5)

Our preschool program will help your young child learn the essential intellectual building blocks for future academic success and prepare for kindergarten. A typical day includes independent and group activities, STEAM curriculum, and sensory play as well as plenty of physical activity to develop healthy habits.

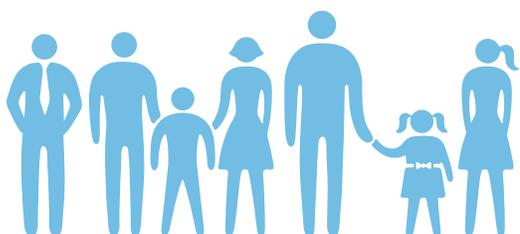

We embrace a family-centered philosophy encouraging family interaction and regular visits with teachers to discuss your child's development. We look forward to becoming part of your extended family and believe that children learn best when caretakers are involved in their educational success.

Our Early Learning programs are fully licensed by the Commonwealth of Massachusetts Department of Early Education and have received NAEYC (National Association for Education of Young Children) accreditation.

A FOCUS ON THE WHOLE CHILD

Our programs have well-rounded daily schedules full of activities that are customized to your child's age, needs, and progress. We provide a nutritious breakfast, snack, and lunch for participants each day to encourage healthy habits. Children are assigned a primary classroom and teacher who works directly with your child each day. Our team of professional teachers focus on building meaningful relationships within your child's cohort to foster age-appropriate academic, social skills, and provide individualized attention.

At the Y Academy, children have the opportunity to enroll in a wide range of extra-curricular activities like swimming, enrichment, and sports classes. We offer a wide range of classes right at the Lynn YMCA. View our offerings online at www.ymcametronorth.org/programs/.

Once enrolled in the Lynn Y Academy, your child will receive a free Youth membership that allows them preferred pricing and priority registration on programs for all ages, stages, and abilities across the YMCA of Metro North branches.

A Youth membership is a \$126 a year value. You can opt to extend those privileges and more to your entire family by joining the YMCA as Family members. When you join as a family, you will save the price of your child's Youth membership from your family membership, a savings of up to 20% off. Family memberships are \$69 a month to Y Academy families.

Membership at the YMCA gives you unlimited access to group exercise classes, gym time, family swim, access to Outdoor Pools, Child Watch while you work out, discounted rates, and so much more.
