

# YMCA of Metro North OPENING DOORS

## WE'RE OPENING DOORS TO OPPORTUNITY FOR ALL

We strive to create opportunities for all by prioritizing accessibility in everything we do. Strong, healthy communities are built when everyone has the chance to participate and succeed. Whether it's helping a child attend summer camp through a scholarship, providing a safe space for teens after school, supporting seniors in staying active, or delivering healthy meals to families in need, the YMCA is dedicated to meeting people where they are and helping them thrive.

## YMCA OF METRO NORTH 2025 STRATEGIC PRIORITIES

### Access for All

Everyone starts their health journey in a different place and we will continue to remove barriers that prevent people from taking full advantage of everything the Y can offer.

### Expanding Our Reach

We will engage strategic partners and donors who share our goals of empowering young leaders and advancing equity to ensure the Y can effectively reach more people as we move toward these goals.

### Investing for Impact

We continue to upgrade and invest in our facilities, child care centers, and summer camps to ensure our members, students, and the community will experience the YMCA as a desirable place to spend their time, talent, and resources.

TOGETHER, LET'S CREATE OPPORTUNITIES  
FOR ALL AT THE YMCA OF METRO NORTH
