SWIM CLASS DESCRIPTIONS

PARENT CHILD SWIM

Parent/Child A (6-18 mo)

Parents learn water safety, holds and towing techniques that encourage basic kicking/pulling and water independence for children. Swim diaper must be worn.

Parent/Child B (18-36 mo)

Toddlers are introduced to submerging, kicking and pulling combinations, floating and swimming without flotation. Swim diaper must be worn for children not potty trained.

PRESCHOOL SWIM

Stage 0 (Age 3)

30 minutes

The YMCA Swim Lesson Level Zero is designed specifically for young children aged 3 years who are not yet ready to participate in independent swim classes. This introductory class focuses on building comfort in the water, developing basic swimming skills, and fostering a positive relationship with water through fun and engaging activities.

Stage 1 (3-6)

30 minutes

This class is for the child who has little or no experience. Increases comfort with underwater exploration and introduces basic self-rescue skills performed with assistance.

Stage 2 (3-6)

30 minutes

This level reinforces level 1 skills. This is for children who are comfortable in the water. They are taught to kick, float, and perform the progressive paddle stroke.

Stage 3 (3-6)

30 minutes

Swimmers must swim 20 feet or about three quarters the width of the pool without flotation to enter this class. Develops intermediate self-rescue skills performed at longer distances than in previous stages. This class will be using the deep end of the pool.

Stage 4 (3-6)

30 minutes

Swimmers must be able to proficiently swim the width of the pool on their stomach and back without flotation to enter this class. Introduces basic stroke technique in front crawl and back crawl and reinforces water safety through treading water and elementary backstroke.

YOUTH SWIM

Stage 1 (6-12) | 30 minutes

This class is for the child who has little or no experience. Increases comfort with underwater exploration and introduces basic self-rescue skills performed with assistance.

Stage 2 (6-12) | 30 minutes

This level reinforces level 1 skills. This is for children who are comfortable in the water. They are taught to kick, float, and perform the progressive paddle stroke.

Stage 3 (6-12) | 30 minutes

Swimmers must swim 20 feet or about three quarters the width of the pool without flotation to enter this class. Develops intermediate self-rescue skills performed at longer distances than in previous stages. This class will be using the deep end of the pool.

Stage 4 (6-12) | 30 minutes

Swimmers must be able to proficiently swim the width of the pool on their stomach and back without flotation to enter this class. Introduces basic stroke technique in front crawl and back crawl and reinforces water safety through treading water and elementary backstroke.

Stage 5 (6-12) | 30 minutes

Swimmers must be able to proficiently swim the width of the pool on their stomach and back without flotation to enter this class. Introduces basic stroke technique in front crawl and back crawl and reinforces water safety through treading water and elementary backstroke.

Stage 6 (6-12) | 30 minutes

Swimmers must be able to swim 50 yards continuously with proficient front crawl and backstroke with rudimentary breaststroke, butterfly and tread water.

Stroke & Turn (7+) | 60 minutes

This class improves stroke technique and introduces competitive swimming skills. Encourages swimmers to progress in a friendly, non-competitive environment. Goggles required.

Swim Team Conditioning (7+) | 60 min

This class focuses on refining strokes, starts, turns, and finishes, as well as learning the rules and regulations of competitive swimming. There is an emphasis on proper technique and endurance over speed. Suitable for strong swimmers who could benefit from endurance training and proper technique. Goggles required.

Lifeguard Endurance Conditioning (14+) | 60 min

Interested in becoming a Lifeguard? Learn swim techniques and endurance needed to take a Lifeguard Certification Course. Build stamina and confidence to help prepare you for the Pre-Requisite Swim Tests in order to train to become a Lifeguard. Certification not included in this class (Swim Endurance and Preparation Training Only)

TEEN SWIM

Teen Beginner Swim (13-17) | 30 min

Introduction to the deep end of the pool and advanced floating techniques. Please bring goggles to class.

Teen Intermediate Swim (13-17) | 30 min

This level reinforces skills. This is for teens who are comfortable in the water. Introduction to stroke mechanics and development. Please bring goggles to class.

ADULT SWIM

Adult Beginner Swim | 30 Min

Introduction to the deep end of the pool and advanced floating techniques. Please bring goggles to class. Ages 18+ yrs.

Adult Intermediate Swim | 30 Min

This level reinforces skills. This is for adults who are comfortable in the water. Introduction to stroke mechanics/development. Please bring goggles to class. Ages 18+ yrs.

Master Swim (18+) | 60 Min

Take your swimming to the next level! Designed for adults of all skill levels, this program offers structured workouts, technique improvement, and a supportive community. Whether training for a competition or staying fit, Masters Swim is perfect for you!

SWIM TESTING

Safety is our First Priority at the Y! All swimmers under 18 need to be swim tested in order to use the deep end of the pool. Swim test includes swimming 25 yards in a horizontal position, jumping into deep water, and treading for 30 seconds. Swimmers who do not pass or choose not to take it must remain in the shallow end. Children under the age of 10 yrs of age or shorter than 50 inches must wear a U.S. Coast Guard personal flotation device (PFD).

Swimmers who are in the pool with parents at arm's length may be excused of using a PFD. Anyone under the age of 7, regardless of ability, must be within arm's reach of an adult at all times. Lifeguards have the right to retest swimmers. Not sure what stage to sign your child up for? Please contact our Welcome Center at (781)-842-8811 or email Ashley Alves: aalves@metronorthymca.org to set up a swim test!
