SWIM CLASS DESCRIPTIONS

PARENT CHILD SWIM

Parent/Child A (6-18 mo)

Parents learn water safety, holds and towing techniques that encourage basic kicking/pulling and water independence for children. Swim diaper must be worn.

Parent/Child B (18-36 mo)

Toddlers are introduced to submerging, kicking and pulling combinations, floating and swimming without flotation. Swim diaper must be worn for children not potty trained.

PRESCHOOL SWIM

Stage 1 (3-5)

30 minutes

This class is for the child who has little or no experience. Increases comfort with underwater exploration and introduces basic self-rescue skills performed with assistance.

Stage 2 (3-5)

30 minutes

This level reinforces level 1 skills. This is for children who are comfortable in the water. They are taught to kick, float, and perform the progressive paddle stroke.

Stage 3 (3-5)

30 minutes

Swimmers must swim 20 feet or about three quarters the width of the pool without flotation to enter this class. Develops intermediate self-rescue skills performed at longer distances than in previous stages. This class will be using the deep end of the pool.

Stage 4 (3-5)

30 minutes

Swimmers must be able to proficiently swim the width of the pool on their stomach and back without flotation to enter this class. Introduces basic stroke technique in front crawl and back crawl and reinforces water safety through treading water and elementary backstroke.

NEED TO MISS A CLASS THIS SUMMER?

Make-up lessons are available upon request for families who can't attend their regularly scheduled class due to travel, illness, or other conflicts.

***Please Note: Saturday programs and leagues will be prorated to 9-weeks due to the 4th of July.**
