WELCOME FROM THE YMCA OF METRO NORTH

Dear Friends,

On behalf of the board and staff of the YMCA of Metro North, thank you for joining us tonight as we celebrate *Growing the Future*. This theme is about more than expanding our membership or facilities—it reflects our commitment to developing future leaders who will strengthen our communities. Every day, our dedicated volunteers, generous donors, and outstanding staff help bring that commitment to life.

Through our signature events and the support of our donors, *Growing the Future* becomes a reality. At the Y, everyone has the opportunity to plant seeds and thrive. Where else can you walk through the doors and receive a scholarship tailored to your needs? What other organization ensures that no one is turned away because they cannot afford to participate? In 2025 alone, that commitment provided \$3.1 million in assistance—all thanks to you.

Tonight's Community Compass Award recipient, Stephen Hendrickson, demonstrates what is possible when young people are given opportunities, positive role models, and the confidence to succeed. Steve has planted seeds throughout our YMCA community by supporting projects such as the pool at the Torigian Family YMCA, the Music and Performing Arts Center, the Welcome Center, and—fittingly—the Rooftop Garden in Lynn. As Steve has shown us, "If you give young people seeds to grow, nurture them with guidance and guardrails, they will blossom into confident teens and ultimately create communities rooted in positivity and pride."

Thank you again for spending this evening with us. We hope you enjoy the program and invite you to visit the Y, meet the young people we serve, and perhaps even bring a watering can!

Bid often—and bid generously!

Sincerely,

Kathleen Walsh, President and CEO
